

**LOS ANGELES HARBOR COLLEGE**  
**(INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM)** **IGETC**  
2019-2020

The Inter-segmental General Education Transfer Curriculum (IGETC) is a series of courses that community college students can use to satisfy lower division general education requirements at any CSU or UC campus. The IGETC provides an option to the California State University General Education Requirements and replaces the University of California Transfer Core Curriculum. Students in high unit majors may find it advantageous to follow a particular UC campus's breadth requirements instead of the IGETC. Students with prior UC coursework may be ineligible to follow the IGETC to transfer back to a UC. **Please see a counselor for additional information.**

**IMPORTANT: Students need to have the IGETC certified prior to sending final transcripts to the university. Failure to have general education certified may result in additional lower-division coursework being required after transfer. All courses must be completed with "C" grade or higher. Most universities will expect students to finish 60 transferable units with a minimum 2.4 GPA, and significantly higher for competitive majors.**

## **IGETC Information**

### **What is IGETC?**

Completion of the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from a California community college to a campus in either the University of California or California State University System without the need, after transfer, to take additional lower division general education courses to satisfy campus general education requirements. See a counselor for detailed information and exceptions or visit <http://admission.universityofcalifornia.edu/counselors/transfer/advising/igetc/index.html>.

### **What is Certification?**

Harbor College will verify the completion of Intersegmental General Education Transfer Curriculum for transfer to either the University of California or the California State University System. Students who complete the entire IGETC curriculum with grades of “C” or better in all courses can have their general education certified by Harbor College. Up to 15 units of coursework in which a “credit” or “pass” grade is received will be certified providing either is equivalent to a grade of “C” or better. With a score of 3 or higher, Advanced Placement exams may be used to satisfy one general education course in the appropriate area. Although not part of the IGETC, Harbor College will also certify the completion of the CSU American History and Institutions graduation requirement.

### **Why should I have my courses certified?**

To earn a Bachelor’s degree from UC or CSU, students must complete a program of general education. Harbor College will certify the completion of all lower division general education requirements for graduation from UC or CSU. Students who transfer without certification will have to meet the general education requirements of the specific UC or CSU campus to which they are transferring. This usually requires completion of additional courses after transfer.

### **What about courses taken at other colleges?**

Harbor College will certify courses taken at other colleges and universities accredited by a regional association of Schools and Colleges. Harbor College will place courses taken at other California community colleges in the IGETC areas identified by the offering college. Courses taken at 4-year schools in California or at out-of-state 2-year or 4-year schools must either be equivalent to courses offered at Harbor College or at another California community college (CCC). These courses will be placed in the subject areas where the comparable LAHC courses are listed, or courses from another California community college on an approved IGETC pattern. If a course is not comparable to a CCC course listed on an approved IGETC pattern, it may be reviewed by petition to determine whether or not it meets IGETC Area Standards. Unless a foreign institution has United States regional accreditation, courses completed at foreign institutions are not acceptable for IGETC except for certification of competence in a language other than English.

### **How do I get my courses certified?**

Certification is not automatic; request for certification must be made in the Admissions and Records Office when a final transcript is sent to a UC or CSU. Completion of the full IGETC pattern is highly recommended; partial certification is now allowed. Students can be missing no more than two courses to qualify for partial certification. **WARNING:** You need to complete minimum CSU/UC transfer admissions requirements. Therefore, if you are missing courses in IGETC Area 1 and/or 2, students may not be eligible for admissions and could put admissions in jeopardy; students should consult with a counselor. Furthermore, in order to do the certification, LAHC must have all official transcripts on file from every college a student has attended. If a student is using two years of high school foreign language to satisfy the UC Language Other Than English requirement (IGETC Area 6), the student must have official copies of high school transcripts on file. Students may also meet this requirement by providing official documentation showing satisfactory completion, with a “C” grade or better, of two years of formal schooling
