

ANNUAL SECURITY REPORT

2012

CRIME STATISTICS

The following crime statistics for LAHC have been compiled by the Los Angeles County Sheriff's Department, in conjunction with local law enforcement agencies surrounding the campus. Campus crime, arrest and referral statistics include those reported to the Los Angeles County Sheriff's Department, campus security authorities, and local law enforcement agencies.

LAHC has certain mandatory crime reporting obligations under state law. Penal Code section 11160 requires prompt, mandatory reporting to law enforcement by health care practitioners (such as employees or contractors in the Student Health Center) when they provide medical services to a person they know or reasonably suspect is suffering from wounds inflicted by a firearm or are result of assaultive or abusive conduct.

CAMPUS LAW ENFORCEMENT

Authority of the Los Angeles County Sheriff's Department

The LACCD contracts with the Los Angeles County Sheriff's Department to provide security services at LAHC. The Sheriff's Department has authority to apprehend and arrest individuals involved in illegal activity on campus and areas immediately adjacent to the campus. The Sheriff's Deputies are peace officers as defined in Penal Code section 830.1. The Sheriff's Security Officers are public officers as defined in Penal Code section 831.4, and have received training pursuant to Penal Code section 832.

Crimes occurring on campus are investigated by the Sheriff's Department. The prosecution of criminal offenses, both felonies and misdemeanors, occurs at the Los Angeles Superior Court (for violations of state law) or the United States District Court, Central District of California (for violations of federal law). Sheriff's Department personnel work as appropriate with local, state and federal law enforcement agencies, and have access to national crime databases.

The Sheriff's Department maintains a daily crime log of criminal incidents and alleged criminal incidents which are reported to the Sheriff's Department.

Accurate and Prompt Reporting of Crimes to Law Enforcement

To ensure the safety of everyone on campus, LAHC encourages the accurate and prompt reporting of crimes to the Sheriff's Department at (310) 233-4600 or walk in the office located at the PE/Wellness Building.

Professional Counselors

A professional counselor whose official responsibilities include mental health counseling to members of the LAHC community and who is functioning within the scope of his/her license or certification is exempt from disclosing reported offenses to law enforcement, unless there is a legal obligation to disclose. Personal information from counseling records will not be revealed unless disclosure is required by law. (LACCD Board Rule 8302.10.) However, counselors may encourage victims to make a report to law enforcement.

MONITORING OF CRIMINAL ACTIVITIES OFF-CAMPUS

LAHC does not have recognized off-campus locations of student organizations, such as off-campus housing facilities, and does not engage in monitoring of student criminal activity off-campus. However, students engaging in criminal activities off-campus, in conjunction with college-sponsored activities, may be subject to disciplinary action by LAHC.

EMERGENCY RESPONSE AND EVACUATION PROCEDURES

LAHC will immediately notify the campus community upon confirmation of a significant emergency or dangerous situation involving an immediate threat to the health and safety of students and employees occurring on the campus.

To report an emergency, please contact the Sheriff's Department at 310-233-4600 or use one of the blue emergency phones throughout the Campus.

Notification Procedures

In the event of a campus emergency, where it is necessary to notify students and staff of impending danger or critical information, Los Angeles Harbor College has developed a protocol to engage as many students and staff as possible, in the shortest amount of time. It is important that all current technology and communication modes be used to widely distribute the information as quickly as possible. Coordination with the President's Office and the campus Sheriff's office needs to be immediate and ongoing.

Here is our roll-out communication checklist for critical information—

PA System. An announcement is made through our campus-wide PA System.

Email blast. An LAHC-ALL message is sent out to all faculty and staff.

Alert U. Our phone software allows us to send a text message to those students who have opted into the system with their phones.

Signage. Needs to be placed in areas of high traffic and closed entrances or buildings. Other areas to be coordinated with the Sheriff's office and other campus departments

LAHC will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of the responsible authorities, compromise efforts to assist a victim or to contain, respond, or otherwise mitigate the emergency.

The entire campus community will be notified when there is a potential that a very large segment of LAHC is threatened. President's Office and the campus Sheriff's office will reassess the situation to determine whether additional notifications or updates need to be made.

Testing of Procedures

LAHC conducts tests of its emergency response and evacuation procedures.

LAHC publicizes its emergency response and evacuation procedures by: 1. Posting emergency response and evacuation procedures on the LAHC website. 2. Providing other emergency notifications and procedures through the PA System, blast e-mail or through Alert U.

LAHC will document each test by recording a description of the test, the date the test was held, the time the test started and ended, and whether the test was announced or unannounced.
