To: College Planning Council
From: Office of Institutional Effectiveness
Subject: 2016-17 Comprehensive Program Review Workshop

The Office of Institutional Effectiveness held the third of four open-lab workshop sessions on Comprehensive Program Review (CPR) on November 18, 2016 in SSC 203 from 9 am – 12 pm. The first workshop was offered on October 28, 2016 and the second on November 4, 2016. The purpose of these sessions is to facilitate the process of completing the 2016-17 Comprehensive Program Review obligations for units scheduled for review in the Fall 2016 term.

All division chairs were invited. Attendance came from four academic divisions: Communications, Kinesiology Health & Wellness, Mathematics & Technology, and Science, Family & Consumer Studies. The CPR timeline and process were reviewed, and modules were discussed and/or created.
