

## Comprehensive and Annual Program Review and Unit Planning Cycle Alignment

	Year 0	Year 1	Year 2	Year 3	Year 4	Year 5
<b>Comprehensive Program Review (Program-based)</b>	6 year goals <ul style="list-style-type: none"> <li>• Student Achievement</li> <li>• Enrollment</li> <li>• Budget</li> <li>• External Scan</li> <li>• CTE Requirements</li> <li>• PLO/SLO</li> <li>• Curriculum</li> </ul>	Update/Modify	Update/Modify	Update/Modify	CPR Summary of Results	Start CPR Cycle 2
<b>Annual Program Review (Division-based)</b>		1 yr goals <ul style="list-style-type: none"> <li>• Student Achievement</li> <li>• Enrollment</li> <li>• Budget</li> <li>• SLO</li> <li>• Curriculum</li> </ul>	1 yr goals <ul style="list-style-type: none"> <li>• Student Achievement</li> <li>• Enrollment</li> <li>• Budget</li> <li>• SLO</li> <li>• Curriculum</li> </ul>	1 yr goals <ul style="list-style-type: none"> <li>• Student Achievement</li> <li>• Enrollment</li> <li>• Budget</li> <li>• SLO</li> <li>• Curriculum</li> </ul>	APR Summary of Results	Start CPR Cycle 2
<b>Improvement Actions/Unit Plan</b>	Use CPR Results (data analysis, standards and 6 year goals achievement) to create 6-year (long term) plans	Update existing plans. Create new plans as needed based on APR results (data analysis, standards and goals achievement)	Update existing plans. Create new plans as needed based on APR results (data analysis, standards and goals achievement)	Update existing plans. Create new plans as needed based on APR results (data analysis, standards and goals achievement)	Unit Planning Summary of Results	Start CPR Cycle 2

**NOTES:**

Student Achievement includes: Course Completion; Degree, Certificate or Transfer attainment; Gainful Employment; Licensure Passage Rates  
 Student Achievement modules include review of Institution Set Standards, Targets and disaggregation by Distance Education (Course Completion)  
 Units completing Comprehensive Program Review (CPR) do not need to complete the Annual Program Review requirements in the year of CPR
