4	Very helpful!	10/2/2015 12:27 PM
5	I think it need to be a bit more organized it was not entirely clear on how to transfer date. The mechanics were clear-but I think more examples should have already been done for us to look at. Example say have one 2014-15 unit plan completely done as a sample for us to look at. before the training started.	10/2/2015 12:26 PM
6	Good job!	10/2/2015 12:26 PM
7	I think it would have been more effective in the library classroom so faculty can use the computers, and our screens would be controlled by the main computer for letter orientation. I know it's not difficult, but I think I will need some individual training.	10/2/2015 12:23 PM
8	As a new employee, I was able to understand the purpose and goal of the new pilot program.	10/2/2015 12:19 PM
9	Did not appreciate that Jim's comments on shared governance and an open dialogue were met with a statement that we need to report to others that this is what will be done. Reporting is not dialogue.	10/2/2015 12:16 PM
10	I understand we have to do this but please don't insult me by pretending you really want my "discussion" or "feedback".	10/2/2015 12:12 PM
