

Be Covid Compliant

All students participating in on campus classes or activities need to provide proof of Covid vaccination (or request a medical/religious exemption) and get a Free Covid test.

You must access your Cleared4Work profile and get tested by October 8th.

1. Check Your LACCD Email

Search Your LACCD email for an email from **Cleared4Work**.
Subject: LACCD's Vaccination & Testing Site

This is not a scam.

This link is personal to you. Bookmark it for future access. If you can't find the email, contact covidcolleges@biocept.com for help.

2. Use the link in the email to access your profile.

3. Upload Your Proof of Vaccination

Once you access your profile, upload a picture of your Vaccination card or electronic vaccination record.*

You also need to upload your medical insurance card if you have one.

Schedule a **FREE Covid Test** at your college through your Cleared4Work profile. If you request a vaccine exemption, you need to test every week.

4. Get Tested

Ready?

Wear a **MASK** whenever you are on campus and complete the **symptom self-check** every day you go to campus.

Review the **FULL STUDENT INSTRUCTIONS**

*Or you can request a medical/religious exemption but you must do so by October 8th.
