

## Tips to Help you Take and Upload your Photo for the LAHC Virtual Commencement (Graduation) Ceremony 2021 Form

### Lighting and Background

- Natural lighting is ideal in order to eliminate uneven light and shadows from your face. A solid or non-distracting background is best.
- Avoid clutter behind you or showing anything personal that you don't feel comfortable displaying.

### Best Image to Upload

- Please take your picture in a vertical position, similar to a head shot (see sample)
- Wearing your cap and gown is preferred for the photo.

### Format of Image that is Uploaded

- A jpg (image) is the best format.

### Deadline to submit Photo

Complete the [2021 Virtual Commencement \(Graduation\) Ceremony Form](#) to submit your photo.
